Recommending we go back to members doing beach clean up
Anything over \$1000, you get three quotes and then bring it back to the board to vote

Roads update Jack
- Pipe across lower West Point Road needs to be replaced and will cost \$4k for the West Point Association. Looking at doing this in the spring.

New Business All
- Stephen Gentile Dock Proposal – The vote was made a couple of years ago, and we are going to stay with it the way it's
- Renters Using Beach – It was brought to the BOD at the end of the season, and the owners were contacted, and they were very receptive to keeping things under control

Put in the Newsletter – invoices will be sent via email. If you do not get the bill via email, let us know as soon as possible so we can –

Someone needs a little more time to pay us by the end of July.

The Memorial Day clean-up will be done by members
